Dockwalker Training

Saturday, March 19
10 a.m. to 12:40 p.m.
Bayside Village Marina
300 E. Coast Highway

The California Department of Boating and Waterways, the California Coastal Commission, the Santa Monica Bay Restoration Foundation, Bayside Village Marina, the City of Newport Beach and Project-GreenWorks in partnership with the US Coast Guard Auxiliary

PRESENTS:

DOCKWALKER TRAINING

- Teach environmentally sound boating practices
- Coordinate efforts with marina and boat launch ramp operators
- Obtain educational materials to distribute to boaters

This **FREE** workshop trains boaters, recreators, Auxiliarists, Power Squadron members, and other volunteers to talk to boaters about environmentally sound boating.

Participants in the training will be considered "Dockwalkers." Dockwalkers conduct face-to-face boater education and distribute boater kits with educational materials while visiting marinas, boat launch ramps, boat shows and special events. The training provides an overview of environmentally sound boating practices, information about how to conduct Dockwalking, educational materials for Dockwalkers to distribute including boater kits, a video about clean boating in California, and baseball hats to identify Dockwalkers. We document community service hours.
